

## Mango Home Learning Wednesday 18<sup>th</sup> September

We have had another good week in Mango class which began with a visit from Ed Boxhall where we learnt how to write creative poetry and create mythical creatures from pictures of landscapes.

Our cricket lessons continued on Monday and next week we will welcome our coach into the HIT assembly to tell us about his HIT.

While the majority of children returned their homework today with the reading sections completed correctly there were still a few that were astray. Could you please make sure that the red home learning books are returned on Wednesdays. Thank you to those did.

Those children registered on "Lexia" will have information that should allow you to log on at home; please let me know if it is still not working.

### Homework -

Think of an iconic landscape of where you live / that reminds you of home and take a photo of it. The photos can be printed out or emailed to [kisaac@ickleshamcp.e-sussex.sch.uk](mailto:kisaac@ickleshamcp.e-sussex.sch.uk) for me to print out. These will be the beginnings of an exciting DT project that we hope to start next week.

Please continue reading and recording it below
