

Blueberry Class Home Learning

Due in Wednesday 2nd October 2019

In class we have been studying what makes a riveting read and what we really enjoy about books. After all our fabulous discussions we are really interested to know what your favourite book of all time is!

For your home learning could you please draw the front cover of your favourite book and say what you love about it. It can be a real front cover or an improved front cover of your own design.

Any questions please ask.
