

Mango Home Learning Wednesday 25th September

We have had another good week in Mango class as today we were joined for a practical session by the artists from Hastings Storytelling Festival to make banners for the parade in October. It was a fun session making banners based on Quentin Blake's new book "Flights of Fancy". They will be in school tomorrow to complete them. Hopefully some of you will make the parade.

Thank you for the homework this week. It was interesting to see which places reminded the children of home.

This week your mathematics sign in has been stuck into your red home learning book so you will be able to sign in and practise your maths work. We have been looking at "Number" over the past few weeks so that would be a good place to start. Any problems please let me know.

Those children registered on "Lexia" will have information that should allow you to log on at home; please let me know if it is still not working.

Homework -

Create a model or diagram of a Saxon dwelling.

5 spelling sentences please

Please continue reading and recording it below
