

Mango Home Learning Wednesday 16th October

Wow, we had an amazing science fair yesterday; it was amazing to see how knowledgeable scientists we have in class. The photos from the afternoon are on the website if you would like to see them in action. This Friday we are holding our class heats for "Icklesham's Got Talent" so keep practising!

The mathematics topics this week are primes, squares and cubes.

Those children registered on "Lexia" will have information that should allow you to log on at home; please let me know if it is still not working.

Homework -

- Yesterday everyone was given a competition entry form for an A4 poster titled "Climate Emergency" from Hastings museum; this is your homework this week and is due in next Wednesday.
- 5 spelling sentences please
- Please continue reading and recording it below
