

### Mango Home Learning Wednesday 2<sup>nd</sup> October

The weeks seem to be flying past in Mango class, this week we were lucky enough to be joined by a story teller from Hastings Storytelling festival. Xanthe told us two stories and we some of us were lucky enough to dress up and help bring the stories to life. The pictures should be on the school website soon.

Thank you for the fantastic response to the home learning task last week; the models and diagrams were amazing! They, not only show what fantastic historians we are but we were able to look at the materials used to make them as part of our science.

The mathletics topics this week are subtraction, addition and problem solving using these.

Those children registered on "Lexia" will have information that should allow you to log on at home; please let me know if it is still not working.

#### Homework -

- In our riveting read "Shadow" by Michael Morpurgo, Aman has to leave his home with only a few possessions. Make a list of possessions you would take with you if you had to leave your home and give reasons why. We will be creating poetry with these in the coming weeks.
- 5 spelling sentences please
- Please continue reading and recording it below
