## **Sporting Fun - Netball Tournament**

On Wednesday some of the year 6's went to the Hastings High-Five netball tournament and came 3<sup>rd</sup>. The people in the team were Cody, Will, Mia, Beth, James and Jazmin. The matches were fair and enjoyable. All the teams showed good sportsmanship. The teams were: Guestling, Sacred heart (the winners), The Baird, Icklesham and Sandown teams A & B. Thanks to the parents that came and supported us - it made all the difference to our play. Also a big thank you to Mrs Isaac who coached us through the tournament.

## **Nursery**

Thank you for all your responses so far to our consultation on lowering our school age from 4-11yrs to 2-11ys. As part of our planning ahead we are interested in your wishes for future provision at Icklesham Acorn Nursery for September 2020 and beyond. We would be most grateful if you would complete a questionnaire which is being sent home today, giving us as much information as you can. Thank you.

## **Website—update**

We have a new section on the website called virtual office, this is where all the letters and notices that go home with the children will be in the future. This will enable parents to see any letters that they may have missed. If there is anything else you would like to see on the website please let Mrs Isaac or Mrs Barry know. It has been suggested that we add the link to the website to the newsletter so everyone who gets the newsletter via email will be able click the link and be taken to the school website. The link is <https://www.ickleshamcp.e-sussex.sch.uk/> and will appear on the back of the newsletter every week.

## **PGL**

Our PGL residential trip is just over four months away, Payments need to be made by March 31st 2020. Please see Mrs Barry if you would like to make a payment. If you would like to discuss this further please make an appointment to see Mrs Robinson.

Don't forget to let Mrs Barry know your choices on Tuesday next week.

## **Parent App Lite**

This week you will have received a registration email from Capita. This is to make us compliant with the new GDPR regulations. Once registered you will be able to access SIMs data we hold on your child/ children. If you have any problems or questions please speak to Mrs Barry who will try to help you.

## **Parking**

We have notice that few parents are parking on the grass leading up to the school through the High Fords Estate and the grass is beginning to get churned up.
